- If you want floor access, purchase a Parent Pass. Parents will not be able to enter the main competition floor without a pass.
- We ask competitors to arrive early due to traffic, parking, getting seats, and checking in. Once you check-in, purchase the boards that you will need for competition time.
- For the little ones, a tip from parents and referees: write on each board the technique the competitor will be performing. It will help save time and ensure proper board holding.
- Please write your name on all of your equipment, bags, and uniforms.
- Following Opening Ceremonies competitors will be dismissed by age. First, the little ones will be directed to their staging area/ring assignments. You can meet your child at their staging area to get them their boards.
- There will be food available throughout the event. Menus and times are shown on the next page (pg. 5). There will also be vendor booths and martial arts supplies for purchase.

Your presence brings energy and purpose to this event and helps carry on the legacy of excellence and unity that defines our martial arts family. Participants will have the opportunity to showcase their hard work and earn gold medals and three-foot trophies, rewarding their perseverance.

To our Grandmasters and Master Instructors, thank you for your continued leadership and support. Your dedication to cultivating the next generation of martial artists is the foundation of our community. To the families who stand behind every student: your support, patience, and encouragement are the silent strength behind every kick, every form, and every victory.

To our Co-Directors, Horseman Committee, and dedicated volunteers: thank you for your tireless work in making this Championship not only possible, but extraordinary.

As we gather today, let us uphold the values of Taekwondo: courtesy, integrity, perseverance, self-control, and indomitable spirit. May we inspire one another, push our limits, and celebrate our shared passion.

All breaks must be attributed to the breaker's ability without assistance from board holders. Teams may provide their own ¼ inch standard breaking boards or purchase at the venue. No boards are allowed less than ¼ inch in size. Team practice will occur the evening prior to competition. Teams may bring their own boards for use in the team demonstration, however, these will be inspected and quarantined until the time of the competition.
